Online Reservation Salon System

Raghad Ahmed Askool **2110645**

Yara Tariq Bashmail **2110215**

Layali Adel Khayat **2110211**

Norah Abdullah Alshammari **2110970**

App Idea

We created an application that contains all the salons in the city and helps customers book an appointment in the salon online with the ability to choose the right salon for them and the service they want with their favorite specialist and to know the opinions of others about the salon and the service provided in it. They can also know all the prices of services with the ability to pay online by card or at the reception, which makes it easier for the client to book his appointment.

Login

| | | |
|--|--|---|
| <p><i>Welcome to</i> City Salons</p>  <p>Start booking your salon appointment step by step</p> <p>Get Started</p> | <p>Log In</p> <p>pleas Login to countnue</p> <p>Email</p> <input type="text" value="Email@.com"/> <p>Password</p> <input type="password"/> <p>Forget Password?</p> <p>Log in</p> <p>Don't have an account? Sign Up</p> | <p>←</p> <p>Forget Password</p> <p>Mail Address Here</p> <p>Enter the email address associated with your account .</p> <p>Email</p> <input type="text" value="Email@.com"/> <p>Recover Password</p> |
|--|--|---|

Initial application interface to start the application.

This interface allows clients to log in if they already have an account.

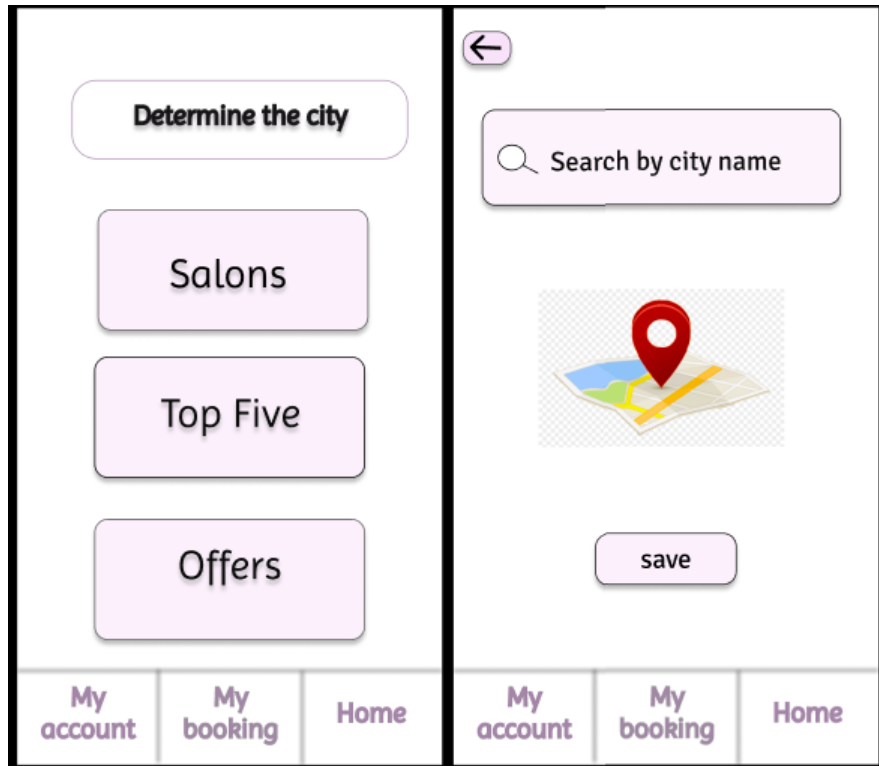

This interface requires the clint to enter the email associated with their account to recover the password.

| PHONE UI UX | PHONE UI UX | PHONE UI UX |
|--|---|---|
| <div><div></div><div>Email Verification</div><div>Please enter the 4 digit code that send to your email address</div><div><div><div></div><div></div><div></div><div></div></div></div><div>Resend the code</div><div>Verify and Proceed</div></div> | <div><div></div><div>Reset Password</div><div>Enter New Password</div><div>your new password must be different from previously used password</div><div>Password</div><div></div><div>Conform Password</div><div></div><div>Continue</div></div> | <div><div></div><div>Sign Up</div><div>Please fill the details and create accounute</div><div>Full Name</div><div></div><div>Email</div><div></div><div>Password</div><div></div><div>Phone number</div><div></div><div>Sign Up</div></div> |

This interface requires the client to enter the 4 digit that sent to their email to verify.

This interface allows the customer to enter a new password and confirmed.

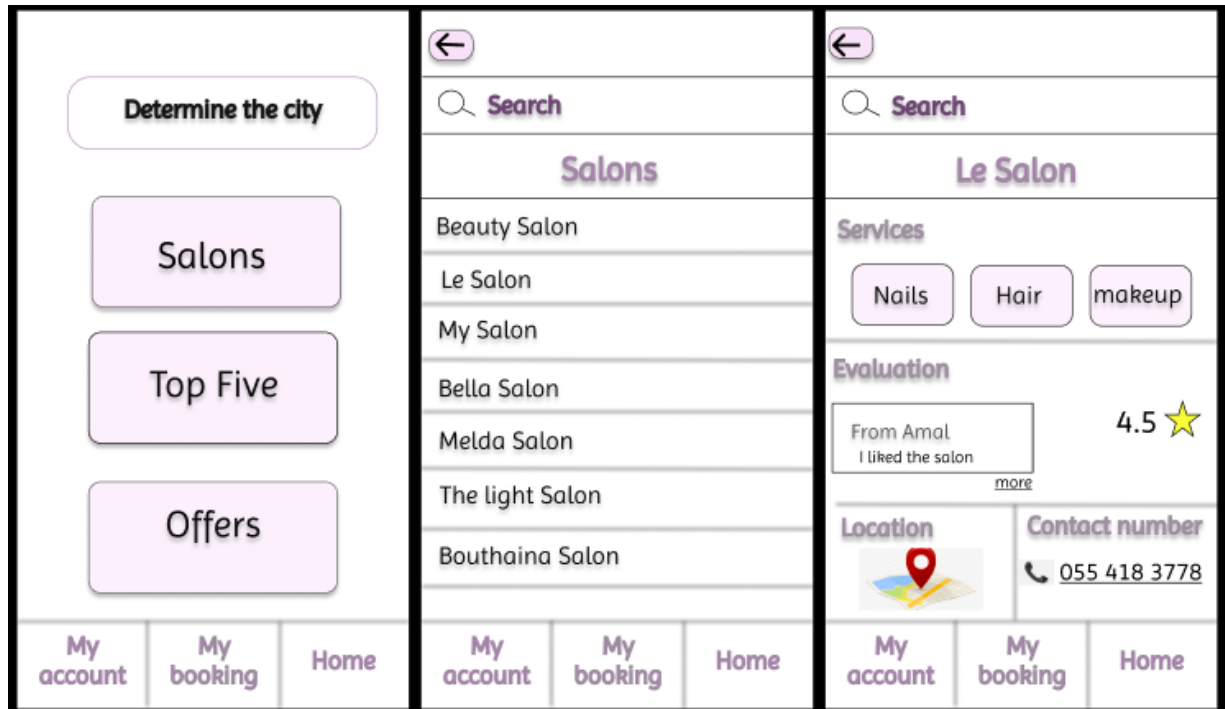

This interface allows the customer to create a new account.

This is the main program interface.

Here, the user chooses the city he wants to see the two salons in it.
